

# POLITICAL CONTRIBUTIONS REPORT

CF Industries Holdings, Inc. (“CF” or the “Company”) is affected by decisions of federal, state, and local governments. CF, when it deems it in its best interest, is an active participant in the political process in order to have a voice in the policymaking process by helping elect candidates who understand and have responsible views on these important issues. CF bases contribution decisions on the best interests of the Company, its shareholders, and what it believes is sound public policy.

CF’s Code of Corporate Conduct and its policy on Company contributions, gifts, and lobbying costs contain the Company’s policies related to political activities and contributions, lobbying, and related matters and provide corporate governance, control, oversight, and procedural guidance for corporate contributions of money, property, or services for political activities in states that allow corporate political contributions. The Code of Corporate Conduct is available on the Company’s website and applies to all of the Company’s employees, officers, and directors. Any political contribution (monetary or in-kind) incurred by the Company must be approved in advance by designated corporate officers and legal counsel. Employee recommendations are considered as part of this process and the Board of Directors (the “Board”) provides ultimate oversight.

CF will make available a semiannual report (the “Report”) listing CF’s political contributions (i.e., payments to candidate campaigns, political parties, political committees, or other political organizations exempt from federal income tax under section 527 of the Internal Revenue Code, and ballot measure committees). Additionally, for United States trade associations to which the Company annually pays dues of \$20,000 or more, the report will list the portion of those dues the trade association notifies members is being used for lobbying and political purposes and thus are not deductible under Section 162(e) of the Internal Revenue Code. The Report will be presented to the corporate governance and nominating committee of the Board and posted on the Company’s website.

CF has a political action committee, CF Industries, Inc. Employees’ Good Government Fund (the “PAC”), that is funded solely through voluntary employee contributions. CF provides limited administrative support to the PAC. The PAC offers eligible employees a direct means to participate voluntarily in shaping public policy and expressing views on issues related to the Company’s business. The PAC operates in accordance with all relevant state and federal laws. Information about the PAC is available on the website of the Federal Election Commission at [www.fec.gov](http://www.fec.gov).
